OVERWHELMING RESPONSE!

The young man named Carlos had never been in a Christian meeting before in his life...

The immigrant truck driver who struggled with drugs and alcoholism received an invitation just days before the event. At first, he resisted, but the young female acquaintance insisted that he attend. The morning of the event, he finally agreed to go with her.

They arrived at the venue at 4:00 p.m., where thousands of people were already standing in a long line waiting to get in. Soon the gates opened and people flooded the grandstands. Carlos and his friend sat at the top of the stadium and patiently waited for the event to begin. Songs of praise filled the Bakersfield skies, and just as the sun set, I walked onto the stage with Dan Campbell, my translator for the evening. As I concluded my message, I said, "If you want Christ to break the chains in your life and set you free, stand to your feet and walk down the stairs to the track in front of this stage."

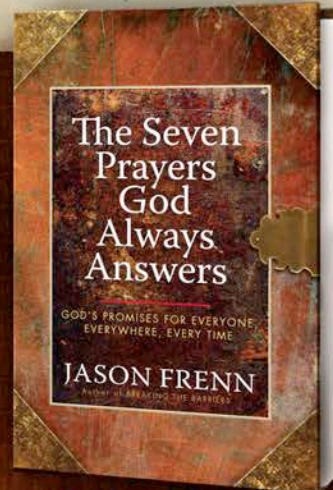

For years, Carlos struggled with vices and no matter how hard he tried, he could never change on his own. His life was out of control until that moment. Suddenly, he stood to his feet with tears streaming down his face. His friend watched in amazement as he walked down the very long cement stairway along with 800 other people to give their lives to Christ.

Several weeks later, he phoned my offices and told me that he was faithfully attending one of the churches that sponsored the event. His life along with 804 others were dynamically impacted for eternity. Thank you for believing! Thank you for praying! Thank you for giving! Thank you for caring!

Jason's newest book is hot off the press!

What prayer do you want answered? If you could sit down with God over a cup of coffee, how would you respond if He asked you, "What do you want me to do for you?" What would you ask? These questions could usher in the greatest breakthrough of your life. God desires to answer prayer. Yes, even yours.

THE SEVEN PRAYERS GOD ALWAYS ANSWERS offers biblical insights into the power of prayer. It will show you the prayers that God always answers, and the ones He always says yes to.
